

Dear Proprietor

High Profile Convenience Store and PO Sells!

Amberglobe are pleased to announce the recent sale of this most impressive high turnover convenience store and Post Office.

As the market for selling continues to improve, we have also found that the number of well financed purchasers looking for high quality convenience stores and Post Offices nationwide is growing. On this particular sale, two other very interested parties were disappointed to miss out on this opportunity and are still avidly looking for a similar business! Not to mention the other buyers we have on our nationwide database who searching for businesses similar to yours.

The above business has impressive weekly sales of £28,000 and a post office salary of £75,000 which undoubtedly makes this business one of the leading independent stores in the country. Although this business also had strong interest from corporate purchasers, the best and final offer came from another 'owner operator' who had been searching the country for a business of this size.

If you are looking to maximise the value of your business and are also looking for a confidential sale, then you should be speaking with the experienced team at **Amberglobe**. For a no obligation discussion about the sale of your business please call **Amberglobe** on 0800 707 6370

Yours sincerely
